Campus Life

Bethany Christian School is a Christ-centered community of students, faculty, staff, and parents who desire to provide a safe, peaceful, and loving environment that promotes learning and develops character. Christian faith affirms the sacredness of the individual because of his or her relationship to Christ: God created man in His image; God created man as a person; and God Himself became man. Such a faith recognizes the value of a community such as BCS. Each student, teacher or parent in this community is related to the other members. Each is nurtured in the relationships found in this community, and each has a responsibility to God for the other members of the community. Therefore, God intends for each member of this academic community to nurture and complete each other in any way possible.

Introduction

History

Bethany Christian School was founded in 1968 as a ministry of Bethany Ministries, West Melbourne, FL. Although in the beginning it was operated under the Accelerated Christian Education approach, it has functioned as a traditional school format since 1981. In April of 2013, Brevard Christian School became Bethany Christian School.

Bethany Christian School is owned and operated by Bethany Baptist Church (Bethany Church) of West Melbourne, Florida. Thus, it is designed as a private church school. Bethany Christian School practices open enrollment to all students in the surrounding area.

Statement of Faith

1. We believe the Bible to be the inspired and only infallible authoritative Word of God (2 Peter 1:21; Psalm 12:6, 7).
2. We believe there is one God, eternally existent in three persons: Father, Son, and Holy Spirit (1 John 5:7).
3. We believe in the deity of our Lord Jesus Christ, in His Virgin Birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father and in His personal return in power and glory (John 1:1, Matthew 1:18, 2 Cor. 5:21, John 2, Col. 1:20, Acts 1:9, Rom. 8:34, Acts 1:1).
4. We believe that salvation is "by grace." The conditions for salvation are repentance and faith (Eph. 2:8, 9).
5. We believe that humanity is justified by faith alone and are accounted righteous before God only through the merit of our Lord and Savior Jesus Christ (Rom. 5:1).
6. We believe in the resurrection of life, and those that are lost unto the resurrection of damnation (Rev. 20:6, Rev. 20:11, 12).

7. *We believe in the ministry of the local church as God's established instrument of carrying out the Great Commission (Matt. 28:18-20).*

EDUCATIONAL PHILOSOPHY AND OBJECTIVES

Statement of Philosophy and Purpose

Admissions

Admissions Policies

- Students are admitted based on available space, their character, scholastic record, and a genuine desire on the part of the parents to have their student in a Christian school, without regard to race, color, national or ethnic origin.
- Only those students whom we feel will adjust to our program, and whose parents agree to cooperate fully with the teachers and administration will be admitted.
- Each student applicant must be interviewed by the school administrator/principal or other administrative personnel with at least one parent or guardian present; providing grades, standardized tests, behavior reports, and IEPs/504 plans (all that are applicable).
- Students are evaluated for academic readiness to enter Bethany Christian School. After successful completion of admission screening/interview, the administrator will give approval or denial for the enrollment process to continue.
- All parents/guardians are expected to read the student handbook Covenant Agreement. Also, Secondary students are required to sign the Student Agreement of Conduct, which will be distributed and explained during the initial interview.
- The completed enrollment forms for new students must be completed (online and all fees paid) and available to the admissions office along with copies of:
 - your student's immunization records (including dates),
 - a physical (within one year of start date at BCS), and

- a birth certificate (these items may be uploaded during application or enrollment process). **Note: Children entering K-5 must be five years of age ON OR BEFORE September 1.**
- The application and registration fees are due at the time of you submitting the application and enrollment forms online. The school monthly payment plan begins in August of that school year unless other arrangements are made with finance.
- Parents will be notified of their student's acceptance. That acceptance normally occurs with a final interview with the appropriate administrator/principal which would clarify any conditions of enrollment which may be dictated by the results of the entrance testing, discipline records, and interview.
- No student will be admitted who smokes or uses tobacco in any form, uses drugs or alcohol, or has a criminal record. Students expelled from another school that school year are rarely admitted. If so, admittance is determined by the administration. If the interviewer feels a student has proven to be drug-free and has successfully completed a certified drug rehabilitation program, he/she may be considered a candidate for admission.

NOTE: Registration is not complete until all fees are paid (including past due accounts from the previous year), testing is completed, and the Covenant Agreement is signed.

Enrollment Procedures

Enrollment for school will be finalized upon completion of the following:

1. A completed student enrollment packet/forms and paid registration/enrollment fees.
2. Student Agreement of Conduct signed by the student and parent(s)/guardian(s) (grades 6-12).
3. Student Questionnaire, must be completed by student prior to interview (grades 6-12).
4. Parents'/Guardians' Statement of Support signed by both parents and/or guardians (one of the enrollment forms)
5. Show sufficient competency in math and reading.
6. Meet with a member of the administration, supplying grades, etc.

Re-enrollment Procedures

Students reenrolling in the school must complete reenrollment packet/forms in RenWeb.

- **Parents must reenroll their student each year and pay the reenrollment fee; reenrollment is not automatic!**
- 1. A completed student enrollment packet/forms and paid registration/enrollment fees.
- 2. Students entering K5 and 7th grade **MUST** have an updated physical and immunization record.

BCS reserves the right to refuse reenrollment to students or students of families who have demonstrated disharmony regarding the purpose, objectives, standards, policies, rules, and regulations of the school.

In addition, no student may be re-admitted unless all financial obligations have been met from the previous school year. Exceptions to this policy require written authorization from the administrator.

Transfer Students

Students who transfer in after the school year has started will be charged beginning the month they enter BCS.

Testing may be required of students transferring to Bethany Christian School. If the student tests deficient in any portion of Bethany Christian School's curriculum, he/she will be required to take the equivalent Bethany Christian School course, even if he/she has taken a similar named course of study in his/her previous school.

All official records are exchanged between schools. Parents do not act as carriers to the accepting school. Release of official records requires written permission from the parent/guardian.

Visitors to our campus must report to the school office prior to going to a classroom, gymnasium, or cafeteria. Visitors must be listed in the student's **"Acceptable Visitor"** or the **"Pick-Up"** list. *If a visitor comes to the campus without being previously posted to the list by the parent/guardian, they will not be permitted to interact with any member of our student body.* **All changes to the pick-up list must be made in writing.**

Lunches, homework, books, or other items to be delivered to your student may be left in the school office. Please provide the name and grade of the student of the items delivered.

If you request your student's work, please request first thing of a school morning, give the front office until 3:00 p.m. to have requested items. Be prompt to pick up the items before school closes at 4:00 p.m. the same day.

Although school phones are for school business, the student may use them for contacting their parent or guardian in case of an emergency.

Volunteers

As a private Christian school, not only do we need tuition to cover our expenses to educate students, but we also rely on the good heart of our volunteers. To further indicate the importance of volunteerism, we ask each two-parent family to donate 20 hours of service each year and single parent families to donate 10 hours of service. In lieu of volunteer hours, a \$100.00 fee per family may be paid.

This payment will be on the May billing statement if the volunteer hours have not been provided. Volunteers are required to be screened through the school office. Check with the office before volunteering in the classroom or other situations involving direct contact with students. We have a lot of volunteer needs, especially with our athletic department which typically occurs in the evening. Many other opportunities are available including donating food items for special occasions. (Every \$10 spent for the school/classroom is equivalent to 1 (one) volunteer hour – bring receipts.)

Medications

Florida State Law does not allow school personnel to administer medicine without explicit written instructions from the parent or guardian. All medications must be kept in and administered by School Office Personnel.

Students are not permitted to have prescription medication, non-prescription medication (including cough drops), or vitamins in their possession. Any medication must be brought to the school office by the parent or guardian, and the parent or guardian must complete and sign the appropriate Prescription Administration Form. All medications coming to the school must be in the original container with the manufacturer/pharmacy label in place, including dose.

Medications not picked up by the parent/guardian within one week of the last day of school (unless student is enrolled in our summer program) will be destroyed.

Well Child Policy

To reduce the spread of illnesses and maintain a safe and healthy environment for all students and staff we ask that parents not bring student to school if:

- 1) The student shows any signs of illness see (SYMPTOMS REQUIRING CHILD TO BE SENT HOME).
- 2) The student is unable to participate in the normal routine of the school day.

Sick students can expose all students and faculty/staff members who they encounter to the illness leading to excessive absences and disruption to the program.

In the event a student becomes ill and needs to be picked up, the parent/guardian will be called and are expected to come pick the student up within one hour (60 minutes) of time of being notified. If the parent/guardian cannot be reached, or has not arrived within an hour, the next person on the emergency contact list will be called and asked to come pick the student up. In the event a student complains about not feeling well during the school day, the parent will be contacted.

Symptoms requiring a student to be sent home from school:

- Fever: Fever is defined as having a temperature of 100.4°F or higher (**a student needs to be fever free, without the aid of any fever-reducing medication, for a minimum of 24 hours before returning to school**).
- Fever AND sore throat, rash, vomiting, diarrhea, earache, irritability, or confusion.
- Diarrhea: runny, watery, bloody stools, or two (2) or more loose stools within last four (4) hours.
- Vomiting. Note: please do not bring your student if they have vomited in the night.
- Breathing trouble, sore throat, swollen glands, loss of voice, hacking, or continuous coughing.
- Frequent scratching of body or scalp, lice, rash, or any other spots that resemble childhood diseases, including ringworm.
- A student is irritable, continuously crying, or requires more attention than we can provide without hurting the health, safety, or well-being of the other students in our care.

Students returning to school from an absence are required to present a written explanatory excuse from their parent(s) or legal guardian stating the cause for the absence.

A physician's note is needed when:

- the student has been absent for three (3) or more consecutive days,
- has had surgery,
- is returning to school after hospitalization,
- has been under a doctor's care for a significant illness, or
- is returning to school after being excluded because of a communicable disease.

Attendance

1. What qualifies as being counted as present at school?

- A student who is present at school is in attendance.
- A student who is participating in a school sponsored event away from school or out of class is present. Examples of a school sponsored event are: academic contests, athletic contests, field trips and special meetings on campus.

2. What is required legally in the state of Florida?

Florida State Law (1007.271) regulates the number of absences a student is allowed to receive credit for a course. The state allows no more than 18 absences for the entire year. Secondary students who have more than 9 absences in a semester will not receive credit for that semester. Elementary students will not be promoted to the next grade level. This includes excused and unexcused absences (exceptions do not apply: doctor's notes, court, etc.).

4. What happens when a student begins to accumulate too many absences?

FACTS/SIS will send out automatic excessive absence warnings. In addition, the school will e-mail the parent/guardian official letters indicating their student(s) is/are accumulating an excessive number of absences. If excessive absences continue, a hard-copy letter will be sent home.

5. Parents need to inform the school concerning the absence of their child.

- Parents must send a note to the school following an absence.
- When appropriate, following a sickness or doctor's appointment, the student should have a medical note from the provider and present it to the school office.
- Students who return from an absence without a note will receive an unexcused absence.

6. Types of Absences

- A tardy can become an absence (every three tardies = one unexcused absence).
 - The student must be in the class for 70% of the class hour. Any student 15 minutes late is considered absent for that class.
- Excused
 - Illness:
 - A parent/guardian note for a one (1) day illness.

- A parent/guardian & doctor's note for multi-day absences.
- Doctor's appointment:
 - **Doctor's note should be presented to the front office.**
- Pre-Arranged Absence:
 - Must obtain approval of teachers and administration of the school.
- Unexcused:
 - Missing all or part of a class period without specific verbal or written permission from the administration.
 - An absence for which the parent/guardian failed to notify the school.
 - Students may not leave the school grounds during school hours unless they receive permission from the administration and are signed out in the school office. Failure to follow this procedure will result in an unexcused absence and will be treated as unexcused.
 - Unexcused absences will be reflected on the student's nine-week grade.
 - All classwork/homework and participation grades will receive zeroes for each unexcused absence. A 20% deduction will be taken for test and quiz grades.
- Parents are encouraged to e-mail or call the school when their student will not be at school. Notes to excuse absences may be brought the day a student returns to school. If the school has not been notified and no note is presented, an unexcused absence with its academic penalties will be assigned. The absence can be changed to "excused" if a note with an excusable reason is brought the next day. A one-day grace period is provided for excused absence notes.
- Suspensions: Students are expected to do all missed work, including tests and quizzes; however, students may only earn up to 50% for class assignments and 75% for tests and quizzes.

7. Exceptions to the state law concerning attendance.

- Court dates with documentation.
- Illness with medical professional documentation.
- Extended illness causes the student to become home bound with medical professional documentation and administrative assistance.
- School sponsored events.

Arrangements for Homework

Elementary and secondary students may request homework assignments that have been missed during their absence through the school office if absent for more than one day. Access your RenWeb account for all missed assignments. If you are unable to access your RenWeb account, you may contact the office by 9:00 am to have homework assignments available by 3:30 pm.

Make-up Work for Excused Absence

After an excused absence, elementary and secondary students will be granted two days for each day absent up to a maximum of one week to make up missed classroom work.

For absences of one week or longer, the classroom and student services teacher will work with the student and parent to determine the best way to catch the student up. The student bears the responsibility to make up all the missed work, quizzes, and tests. **A student who is absent only on the day of a scheduled test or quiz will be expected to take the missed test or quiz on the day they return.**

Tardies

Tardiness is disruptive to the classroom and has an adverse effect on your student's education.

Tardy Procedures

- Any student arriving after the final bell without an excuse should go directly to their classroom and will be marked tardy.
- Students arriving late with an excuse (doctor/dentist) should check in at the school office to have the excused tardy recorded.
- If a student is tardy because of a previous class, that teacher must write a note for the student (date and time).
- Each teacher will track the unexcused tardies in their class.
- Tardies are rarely excused - **Excused only at the administration's discretion.**
- Students who are more than 15 minutes tardy will be counted as absent for the entire class.

Tardy Discipline

- A warning will be issued when a student has received four (4) unexcused tardies.
- An administrative after-school detention (\$10) will be given when a student is marked tardy-UNEXCUSED five (5) times in any grading period.
- Failure to serve detention will result in administrative discipline, which may include Saturday School (\$20) or suspension.
- Habitual tardiness may result in the student being withdrawn from school.

Leaving/Returning Campus during School Hours

Authorized Leaving of Campus

BCS operates under the "closed campus" policy. This means that once a student arrives on campus in the morning, he/she is not allowed to leave until class is dismissed at the end of the school day. The exceptions are:

- Students who have a parent's specific request on file and that request has been approved by the administration.
- His/her parent or guardian has signed out the student.
- The student is involved in a dual enrollment class during the school day.
- High school seniors who have parent permission may leave campus for lunch up to two times per week. This privilege may be revoked if a student does not return to school in time for their next class.

Note: Students involved in dual enrollment or have limited classes (primarily seniors) are expected to leave campus immediately following their last class.

Steps to follow to leave campus:

1. Get parent permission.
2. Inform office personnel by written note.
3. Sign out at the school office.

Unauthorized Leaving of Campus

- Students are not allowed to leave campus without the permission of the administration.
- Students are not allowed to leave campus for lunch.
 - Students who leave campus without permission will be subject to a one-day suspension.

Teacher Conferences

If you wish to talk to your student's teacher, please arrange for a private conference by e-mailing your student's teacher or calling the school office (321 727-2038).

Please do not detain the teacher from his/her responsibilities immediately before or after school. Teachers are happy to arrange conferences with parents at convenient times.

Home/School Communication

Orientation/Open House

Parent orientation will be held in the school auditorium prior to the first day of school. At least one parent is expected to attend the parent orientation. An open house will be held the same night as parent orientation. This is an opportunity for students and parents to meet the teacher, bring in school supplies, and get any questions answered.

Parent/Teacher Conference

Parent-teacher conferences should be made by appointment, please e-mail the teacher, or call the school office to schedule. Conferences may be in person or by phone and will be scheduled before or after school. Failure to attend a school-requested Parent-Teacher Conference may lead to dismissal of your student from school. Other conferences may be scheduled as needed.

BCS Cares

The Parent Teacher Organization, BCS Cares is a ministry of our school that allows parents/grandparents, teachers, and staff to connect and create opportunities for fellowship and learning, as well as raising money for the annual operating budget and other financial needs such as playground equipment and technology. The mission of the BCS Cares is to uphold the values and support the vision of Bethany Christian School by promoting, facilitating, and fostering unity and fellowship with our families.

Problems

At some time during the school year, a problem may arise with your student. Usually, this problem can be solved with a simple phone call. We suggest you follow this procedure in handling any problems that might surface:

First ... person to whom complaint has been made

Second ... school principal

Third ... school administrator

Steps are established to ensure that appropriate channels are followed, and appropriate communication is made with all parties involved. The goal is that problems are resolved in a way Christ is honored and positive relationships are maintained.

IMPORTANT NOTE: In extreme situations a student may be asked to leave BCS based upon the behavior of a parent!

Surveys

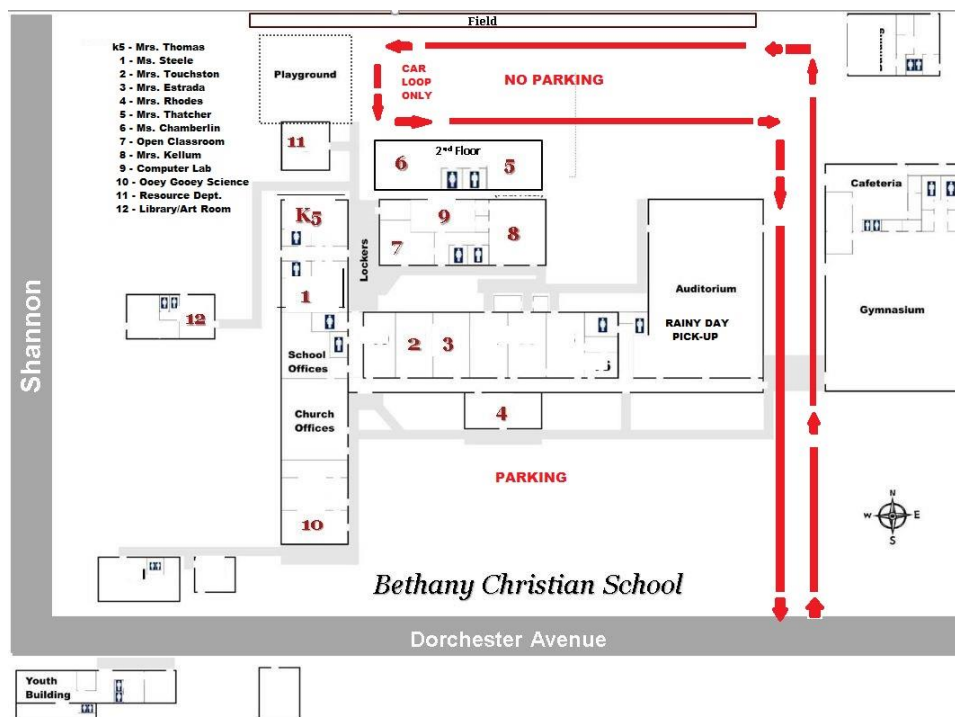

Bethany Christian School conducts an annual Parent Survey which is anonymous. BCS also conducts an exit survey for all seniors prior to graduation.

Grading Scale

100 – 90	A
89 – 80	B
79 – 70	C
69 – 60	D
59 & below	F

Grading Calculations

Nine-Week grades are calculated as follows:

- 40%- Class/homework assignments
- 30%- Quizzes
- 30%- Tests

Semester grades are calculated as follows:

- 40% - 1st nine weeks
- 40% - 2nd nine weeks
- 20% - Semester exam

If curriculum does not include semester exam, first and second nine-week grades will be calculated at 50%.

Graduation Requirements

To graduate from Florida High School, a student must earn 24 credits. BCS expects our students to meet the Brevard County graduation requirements of 26 credits, the 26 required credits are divided in the following manner.

18 Core Curriculum Credits

- Four (4) credits in English, with a major concentration in composition, reading for information, and literature.
- Four (4) credits in mathematics, two of which must be Algebra 1, a series equivalent to Algebra 1, and geometry or a higher-level mathematics course.
- Four (4) credits in science, one of which must have a laboratory component. Two credits must include biology and chemistry.
- Four (4) credits in social studies three of which must include: one (1) credit in American history; one (1) credit in world history; one half (½) credit in government; and one half (½) credit in economics w/personal finance.
- One (1) credit in fine/performing arts.
- One (1) credit in physical education to include integration of health.
- 8 Credits in elective (four (4) of which are required Bible classes 9th-12th grades).

- One high school credit must be on-line.

Students entering BCS during their high school years will not be required to make up missed Bible credits. Students receive one-half (1/2) credit for each semester passed with a grade of 60% or better. Therefore, if a student fails a semester in a subject, he or she loses ½ credit towards his or her graduation requirements.

Credits for graduation are accumulated in ninth through twelfth grade. Students may accumulate math and/or foreign language credits in middle school. Students planning to attend college are strongly encouraged to take two (2) credits in foreign language and a minimum of one (1) credit of computer education, as many colleges require these for incoming students.

Student Information

Homework

- Homework is a vital part of mastering the subject matter of a class. We have found that students who do not consistently do their homework often struggle to pass their classes. Status of grades and missed work (homework, quizzes, tests) can be seen in your FACTS SIS account for each of your students.
- Homework is graded in the following manner:
 - 100%- turned in on time
 - 50%- reasonable effort given but incomplete (teacher's discretion)
 - 0%- No Homework
 - At the discretion of the teacher, homework may be graded periodically for an actual grade in lieu of (100% or 0%).
- Secondary homework policy
 - A parent conference will be requested for students failing to complete homework assignments.
 - Students who fail to complete their homework assignments may be required to attend mandatory homework sessions after school.
 - Students who fail to complete four (4) or more homework assignments in a grading period may be required to participate in the Student Services check in/out system for the remainder of the grading period.
 - Students who continue to neglect homework may be required to attend homework sessions and participate in the check in/out system for the remainder of the school year.
 - Students who fail to attend mandatory homework sessions or fail to check in/out with the Resource Teacher will face disciplinary action which may include an in-school suspension.
 - A parent may request homework sessions or the check in/out system for their student at any time.

Help Class

Teachers are required to offer at least two 30-minute help classes each week for students who may have academic gaps or are experiencing academic difficulties. Help classes will be set up by the teacher, and it is the student's responsibility to be there and on time. These classes are held after school, and it is the responsibility of the student and parent to provide transportation home. Additional tutoring or intervention needs may be required for the student to remain at Bethany Christian School. Teachers are not required to give more than two help classes per week. Additional fees may be required for tutoring or other interventions.

Late Work

If a student does not complete an assigned project in the given-time schedule, he/she will be given three (3) days to turn it in, with a letter grade drop for each successive day late. After the third day, the project will receive a 0%. (For example, Monday the assignment is due. If it is turned in on Tuesday, the highest grade possible is 90%, Wednesday is 80%, and Thursday is 70%, Friday no credit would be given. A parent may request a student attend an available homework session if desired to get the assignment finished within three days.

Viewing Student Progress

Our internet-based program, FACTS/SIS, is the portal through which a parent may keep up to date with his or her student's progress. Grades are updated by Wednesday of the following week, so all grades should be available from the Friday before to the beginning of the quarter. You can also view missing assignments (homework, quizzes, tests).

Report Cards

A link to your student's report card is e-mailed approximately ten days after the end of each grading period. Printed report cards are available upon request.

Report cards and/or transcripts will not be made available to families with outstanding school account balances, which include tuition, unpaid fees, and damaged property, etc.

A student who has incomplete work at the time report cards are calculated will be automatically assigned a zero for each missing assignment. Students with an "I" for incomplete is considered an "F" until all the grades have been turned in and made current in the office. For students with excused absences at the end of the quarter, their report card will be updated once the missing work is turned in.

Promotion Policy

Students are promoted who demonstrate ability in their core subject areas in elementary and junior high school. Students must have an overall passing grade in their core subjects to be promoted in elementary and junior high school. Also, if a

student exceeds 18 days of unexcused absences, they are in jeopardy of failing that grade.

High school students must pass enough credits (see Graduation Requirements) to graduate. Class standings are based upon credits earned. Also, if a student exceeds nine (9) unexcused absences in a class/semester, according to the State of Florida, they will not receive credit for that class.

Student Achievement Testing

Bethany Christian School uses standardized tests to check student progress and assess students' potential, and compare our students to our county, state, and nation. Students take the NWEA Measures of Academic Progress (MAP) assessment three times during the school year. The first assessment will be done in the first few weeks of school and serves as a benchmark. The student will take the second assessment in January to check progress and the final assessment will be in the spring.

Class Schedules

Class schedules are subject to change each semester. When students meet with the Guidance Counselor to schedule classes, the class schedule will be given.

Class Transfers

On rare occasions, a high school student may want or need to transfer to another class. If that is the case, the student must request a class transfer the first two (2) weeks of class. If it is possible, an attempt will be made to transfer that student to another class. The administration and teachers may identify a student who is not capable of succeeding in a class. If possible, the administration will recommend a transfer to another class for that student.

Transcripts

It is the policy of BCS NOT to release **official** transcripts or records directly to students or their parents. When transferring to a new school, the parents will sign a request for student's transcripts, and upon receipt of that request, BCS will forward that transcript to the new school if the student's account balance is zero.

Cell Phones

Kindergarten-5th grade students are not permitted to have cell phones on campus. If there are family situations that require an elementary student to bring a cell phone to school, it must be turned into the office at the start of the school day and picked up before car loop at the end of the day.

Sixth 6th-12th grade students are not permitted to use cell phones without permission during the school day. Cell phones must be turned OFF and out of SIGHT during class time and when signed into before and after care.

- First offense: Confiscation of cell phone for the remainder of the school day.

- Second offense: Confiscation of the cell phone, parent will be required to come into the school office to pick up the phone.
- Third offense: Detention and student will not be permitted to bring cell phone on campus for the remainder of term.
 - (Parent may meet with administration and arrange for the student to check the phone in and out of school office each day.)

Students are prohibited from using a cell phone or any other electronic device to take pictures and/or video of other students or school events, or to post anything to social media during the school day.

“Smart watches” are not permitted to be worn by students during school hours as these devices can be used for texting and accessing media.

Absolutely no camera’s, cell phones or “smart watches” are permitted in restrooms or locker rooms. Students who take any of these items into a restroom or locker room will have the item confiscated, their parents called, and the student will face additional disciplinary action.

Gum Chewing

Students are not permitted to have gum on school premises. Students caught with gum (in their mouth, or on their person) will be given a warning and required to throw the gum away. Continued disregard of this policy may result in the student being assigned a detention in which they are required to clean gum off chairs, desks, and other areas of the school campus.

Discipline

Guiding Assumptions

1. The standard of behavior is simple, straight forward and understood by all.
2. Students, by nature, will always push to change the standard.
3. Students are to be trained in self-discipline and modesty.
4. Parents, who support our school and consider sending their student to our school, will judge us based on the behavior they see on our campus.
5. The Church is called to change the culture; many times, the culture has changed the church.
6. Standards of conduct and dress establish a basic team spirit, camaraderie, and the belonging to the group.

Discipline Philosophy

Discipline is an integral part of emotional and spiritual development. It occurs in a positive way through instruction, modeling appropriate behavior, rewarding appropriate behavior,

praise, and prompts, etc. (Prov. 22:6; Eph. 4:22-24). Usually, these methods build in new behaviors, or increase the frequency of desirable behaviors.

Discipline also occurs because of an appropriate use of correction/punishment or aversive learning (Heb. 12:5-8). Included in this category are reprimands, detention, social probation, work assignments, suspension, and expulsion. Generally, when punitive disciplinary processes are used the purpose is to suppress or remove undesirable behaviors.

Any time disciplinary measures are taken, whether in a positive or punitive process, those measures are taken for the express purpose of ministering to (i.e., developing or educating) the individual and/or the whole student body. This involves assisting the student(s) in transferring responsibility and accountability for behavior from parents and teacher/administrators to God who is the ultimate judge and authority (Rom. 14:10; II Cor. 5:10). As this process occurs, the student matures spiritually and emotionally and develops self-control as well as an understanding of accountability to God.

When correction/punishment is administered at BCS, mercy and justice are combined to assist the student in understanding the offense and the results of the offense. Further, correction/punishment is administered in such a way as to show that love and forgiveness result when a student has appropriately responded to discipline.

Every attempt will be made to instill in each student an understanding of the necessity of discipline and the potentially positive outcome. When all methods for helping a student have been exhausted without positive results, or a student (or his/her parent(s)) is not cooperative in carrying out disciplinary procedures, or a behavioral problem is an extremely serious offense, it may become necessary for the student to leave for the greater good of the student body. This is not a desired occurrence, and a great deal of effort will be made to prevent it from happening.

Purposes of Behavior Code

1. To provide positive reinforcement for positive behavior.
2. To establish a clear description of the types of behavior that would be considered unacceptable.
3. To set forth the disciplinary measures that will be taken against unacceptable behavior.
4. To provide for the communication of all involved- parent, student, teacher, and administration- of the cause for discipline and the action taken.
5. To provide for accurate record keeping of disciplinary action so that discipline may be administered throughout the school in a firm, fair, and consistent manner.

Policy Boundaries

The discipline policy applies to students while they are on campus, on BCS operated school vans, or at school functions. Their behavior at other times or places is *the parent's responsibility* and *not the school's*. Behavior that *impairs the testimony of the school*, however, cannot be ignored. Therefore, offenses that occur outside the limits established in this policy will be considered as to their severity and impact on the school's reputation.

Responsibilities

PARENT: You have been given the responsibility by God for the discipline of your student. As a BCS parent you have conferred this authority upon teachers and administrators during the school day and in school activities. If a parent has questions or disagreements regarding disciplinary actions, it is his or her responsibility to immediately discuss them with the teacher involved and not to bring the grievance to other parents, faculty, or students. For matters not resolved with the teacher, parents are encouraged to schedule a meeting with the school administrator and teacher.

STUDENT: BCS students are expected to conduct themselves according to the highest Christian standards of honesty, integrity, responsibility, and love. In harmony with the principles of Scripture, the rule by which a young person is to live is the conscious striving for God's approval and the protection of your Christian testimony.

Behavior Code

Discipline is necessary for the welfare of the students as well as the entire school. It is impossible for learning to take place in a classroom unless control and good order are maintained. Students are reminded that they must adhere to a code of conduct not only for their own benefit, but for the benefit of others as well. Bethany Christian School expects full cooperation from students and support from parents.

Bethany Christian School has a commitment to its school families to maintain its standards and requirements for all students. Because attendance at Bethany Christian School is a privilege and not a right, the privilege may be forfeited by any student who does not conform to the standards and expectations of the institution; and the school may request withdrawal of any student at any time, who in the opinion of the school does not fit into the spirit of the school ministry.

There is, at Bethany Christian School, a great sense of commitment and love for the students and families we serve. There is, however, an additional commitment to the total school family and to the Lord Jesus Christ.

When problems arise, the following means of discipline may be used in various combinations and varying order.

- The teacher may warn the student and explain why the behavior is not acceptable.
- Extra work may be assigned.
- Privileges may be restricted.
- A student may be dismissed from class to go to the office for a conference with the principal.
- Demerits may be issued.
- A phone call or an email may be made to the parent.
- A note may be sent to parents that must be signed and returned within three days.

- Failure to return the signed note will result in additional consequences.
- A parent-teacher-administrator conference can be arranged.
- After-school detention (3:45-4:30) may be given.
- An in-school or out-of-school suspension may be given.
- Saturday school may be assigned (\$20 fee).
- The student may be asked to withdraw from school.

Disciplinary Action Guidelines

Guidelines are established to ensure that both students and parents understand the process which will be followed should disciplinary actions be necessary. As stated earlier, it is the hope of the BCS administration that every student will function within the school community without the need for disciplinary intervention. However, to assume so would be unrealistic and to not prepare would be negligent.

Described below are the potential consequences for misbehavior.

Disciplinary Probation

A student will be placed on disciplinary probation when the administration feels that the behavioral pattern and record indicate that the student is not abiding by the rules of the school. During this time, some privileges may be denied, and the student will be observed carefully to see if any real effort is being made to improve attitudes and actions.

Parent/Student Conferences

School administration may request a conference with a student and his/her parent(s), or the student and his/her parent(s) may request a conference with the school administration concerning the student's conduct. The goal of the conference will be to develop a behavior contract with defined, measurable goals for improved conduct.

In-School Suspension

1. Student must complete classroom assignments in a designated room from 8:30 a.m. to 3:30 p.m.
2. All the class work missed must be made up. Ten percent (10%) will be subtracted from the grade on all assignments, quizzes, or tests missed because of suspension. If no assignment, quiz, or test was scheduled for the day missed, ten percent (10%) will be deducted from the participation grade.
3. No contact with other students during the school day.
4. Students will not be allowed to participate in any extracurricular activity on the day of the suspension.

Out-of-School Suspension

Serious discipline problems which may result in student being assigned Off Campus Suspension involves the following:

1. Students are not allowed to be on campus for any reason without permission of the administration.
2. All the class work missed must be made up. **Twenty percent (20%) will be subtracted from the participation grade in each class missed because of suspension.**
3. Students will not be permitted to attend or participate in any extracurricular activity on the day of the suspension.

Expulsion

A student may be expelled or required to withdraw from school at any time he/she is found to be out of harmony with the rules and policies of the school. A student expelled is prohibited from school grounds and functions (ballgames, competitions, school plays, banquets, etc.). Decisions in these matters are at the discretion of the administration.

1. An expulsion from BCS is for two (2) consecutive semesters.
2. The expelled student must satisfactorily complete a mentoring program and be recommended by his/her mentor as ready to make application for re-admission.

Administrative Discretion...

Chapel Misconduct, Cheating or Lying, communicating without Permission (talking, notes, letter, etc.), Defacing School Property or Vandalism Disobedience, Disorderly Conduct, Disrespect, Disturbing Class, Driving Offense, Fighting, Having Unapproved Items at School, Horseplay, Immorality (Sexual Misconduct), Inappropriate Music (material collected), Invasion of Privacy (being in someone's backpack, wallet, purse, notebook, textbook, etc., without previously obtaining that person's or the administration's permission), Leaving Campus Without Permission, Littering, Off Limit Areas, Physically or Verbally Threatening a Teacher, Pornographic or Lewd Material, Promoting or Attending Inappropriate Concerts, Movies, Establishments, etc., Questionable Behavior, Roughhousing, Skipping Class, Social Infraction, Stealing, Teasing and Name Calling (bullying), Tobacco in Any Form, Vulgarity, Profanity, Drugs or Alcohol.

In any of these instances the administration has the discretion of assigning demerits ranging anywhere from 1 to 50 demerits, giving level consequences or both.

Extreme Behavior Violations

Listed below are some of these serious offenses.

CHEATING: Students should resist any temptation to copy work from other students or to plagiarize. Cheating of any type is regarded as a serious offense and may lead to suspension or expulsion.

FIGHTING: Fighting is not an acceptable Christian way of settling differences. A student who is willingly involved in a fight will receive a minimum 3-day

suspension from school depending upon the severity of the offense. The administration may take into consideration such factors as bullying or excessive provocation and assign suspensions or expulsion as warranted. However, a penalty up to and including suspension will be considered for any student who, while defending him/herself, does intentional physical harm.

PROFANITY, GROSS DISRESPECT: While “discourteous behavior” and “inappropriate language” may generally be handled through the discipline report procedure above, profane language or gross disrespect for authority may lead to suspension or expulsion. Racial slurs are considered reprehensible behavior and will result in immediate expulsion.

PROFANE LANGUAGE: includes gross sacrilege, vulgar language (such as use of sexually oriented profanity), and obscene gestures.

GROSS DISRESPECT: of authority includes either open defiance or active resistance toward a teacher, staff member, or other adult volunteer, which is either belligerent or vulgar in nature. Any student who is proven to have treated a BCS faculty or staff member in such a manner will forfeit the right to attend Bethany Christian School.

SUBSTANCE ABUSE: A student who knowingly possesses, uses, or is under the influence of any narcotic substance, alcoholic beverage, controlled drug, or intoxicant of any kind shall be subject to expulsion.

A student who distributes narcotics, an alcoholic beverage, a controlled drug, or an intoxicant of any kind will forfeit the right to attend Bethany Christian School.

TOBACCO USE: Smoking is prohibited on school grounds or at school sponsored events. Possession of any tobacco product (including vaping products) is prohibited and is subject to these actions:

1. First offenders will receive a minimum 3-day suspension from school.
2. Second offenders will be recommended for expulsion.

THEFT: Acts of theft will be subject to one to five days of suspension or expulsion, depending upon the severity of the incident and restitution of the items taken.

Conflict Resolution

At some time during the school year, a problem may arise with your student. Usually, this problem can be solved with a simple phone call. We suggest you follow this procedure in handling any problems that might surface:

First ... person to whom complaint has been made

Second ... school principal
Third ... school administrator

Steps are established to ensure that appropriate channels are followed, and appropriate communication is made with all parties involved. The goal is that problems are resolved in a way Christ is honored and positive relationships are maintained.

IMPORTANT NOTE: In extreme situations *a student may be asked to leave BCS based upon the behavior of a parent.*

Dress Code
